COMPANY INTRODUCTION

We began our journey in the field of concrete machinery in 1996. Today, after two decades of hard work and legence, we are honored to be one of the most successful companies in this area in Iran.

We provide our consumers with their required spare parts and tools. Our team of specialists with their highly-valued years of experience can help you with fault recognition of your machine and taking care of the problem.

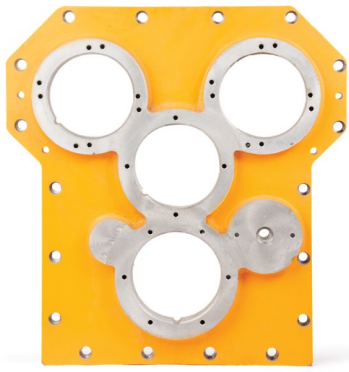

You can find a list of our products and services in this catalogue. If you had any question regarding any specific item or you needed further information, please feel free to contact us. We enjoy helping our customers.

Our products list contains a great variety of spare parts for concrete pumps and concrete mixer trucks, etc. However, if you cannot find your desired item contact us.
